Dear Mr. Hermann,

I wanted to thank you and your team for the exceptional work and follow through on two critical union campaigns that you handled for our company Eby-Brown.

You did what you said you were going to do. You did it in a timely fashion and at the end of the day, we prevailed in both situations, which were, at their onset, problematical.

I would be more than pleased to refer Labor Relations Services to any potential clients who were in need of professional assistance, in terms of maintaining their non-union status.

Sincerely,

Tom Wake  
President
